RESUMED OPERATIONS.—Many people in this County will remember James A. Pickett, formerly a resident of White Cloud, who operated through North-western and Central suri, during the war, as a sort of bagus Governmen Detective, and, it was rumored, went through Rebels of Union citizens, according to circumstances. He was last known in this County, about seven years ago, when he cacaped conviction for murdering a prisoner, solely because of the excitement against borse-thieves—of which fratern ity the murdered man was a member. Pickett has sine een leading a quiet life, (for him,) in Elchardson County, Nebraska. The Cuba excitement has opened up a conge pial element for him. Recently, he went down the road on his way to Galveston, Texas, where he said he would make his head-quarters, to recruit an army for the invaion and conquest of Cuba. From his talk, he was a sort of King in the movement—his voice would be all-powerful in granting commissions, dispensing effices, and regulating all matters connected with the movement. If the Cuban must gobble up and summarily send up the spout citizens of the United States, we know of none who could be better or more cheerfully spared for that purpose than Jim Pick eft, and the class of men who will rally around his stand

Fixe Hoos.-Now is the season for bragging on large. No damage, but a deal of hard scampering. logs; but Iowa Township is ahead of them all yet. A few days since, S. M. Gilmore, near Iowa Point, sold 20 bogs that averaged 430 pounds. Ten of them would have weighed 600 pounds apiece. W. P. Sampson of the same weighed 600 pounds apiece. W. P. Sampson of the same vicinity, sold 24 hogs, that averaged over 300 pounds. E. F. Sturgis, of the same neighborhood, sold 20 hogs, that rain, slush, mud, and to-day thunder and lightning.

A little son of Mrs. Roberts, living five miles west of Troy, was accidentally shot in the hand by his little brother, while hunting rabbits, a few days since. The bay with the gun had shot the rabbit, and his brother, think ing it was killed ran up to selec it, when the other shot again, wounding him as stated. Guns are nice playthings for little boys, under any circumstances.

A HEAT OF SUGAR EOR A CENT .- For some months past a feuil has existed between the Gibsons and McCartys, of this Township. One of the results, was the neck-cutting. on election day. It seems that somebody had stolen Mc-Carty's ment, and he accused the Gilmon boys of it. Going over to Gibson's. to talk to the boys about it, Mrs. Gibson came out and pitched in, when McCarty called her a lying old thief. She sued him for slander, placing her damages at \$2,000. The case went to the jury Tuesday evening. and they nursed and higgled over it for two nights and a day—the jurymen being so long deprived of their natural sustenance, that fully half of them took the bowel complaint. Thursday morning, they brought in a verdict for the plaintiff for one cent damages.

Citizens of Elwood complain that the Township Trustee is neglecting the road leading from town to the bridge approach. The town authorities have graded the road through the streets, but between there and the approach to the bridge there is a perfect slough, now alled with ice and water, and when it thaws, will be impassable. Travel now goes around by a by-road.

MORE SHARP PRACTICE.-At Elwood a few days ago, young man named F gg, with a wagon and two horses was looking for corn to buy, when a couple of tellowbanging around, induced him to go to Atchison, where He went, and they accompanied him. Arriving there they went into a house to get their rheakfast, leaving the team bitched on the street; and on going out again, the team was gone. It is supposed that a confederate of the prices all around. There is a large quantity being held for two fellows went to Atchison by railroad, and was on the look-uit for them. Afterward, a person went to the young man, and suggested that he thought he could find the team. His services being accepted he accompanied the young man to the bluffs along the river, where the horses and wagon were found in a ravine. He then demanded \$75 reward for his services, and the young man not having the money, the fellow returned to Wathens, and took a horse belonging to the young man's father, to hold as security for the payment of the \$73. He is supposed to be the person who took and concealed the horses, and a warrrant is out for his arrest on a previous charge. He claim red to have a warrant for the science of the horse for secu-rity, and placed the animal in charge of the censtable. A Word to Travellers! We have a word to say in favor of the Missouri Pacific Reilread. It was the "pioneer" line Westward, and is the "old reliable" route to St. Louis. With the improvements which have been made during the past year, we believe that the Missouri Pacific Reilroad has the best track and the finest and safest equipment of any line west of the Mississippi. TROY, KANSAS,

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom with cohol. The question is almost daily asked,
"What is the cause of the unparalleled success
of Vines Berrans?" Our answer is, that they remove the cause of discuse, and the patient re-covers his health. They are the great blood purifier and a life-giving principle, a perfect Ren-ovator and Invigorator of the system. Never before in the history of the world has a medicin been compounded po sassing the remarkable qualities of Visegan Birrens in healing the sick of every disease man is heir to. They are a genthe Pur ative as well as a Tonic relieving Con-gestion or Inflammation of the Liver and Vis-ceral Org as, in Bilious Diseases. They are easy of adm a station, promit in their re-sults and an atlation of the control of the cases. If men will enjoy good health, let them

use VINEGAS BITTERS as a medicine, and avoid the use of alcoholic stimulants in every form. R. H. McDONALD & Co., Druggists and General Agents, San Francisco, California, and cor. Washington and Chariton Sta., New York.
